

390

RESURFACING BEGINS

RESURFACING ACTIVITIES BEGIN JULY 2021

The Florida Department of Transportation (FDOT) will begin work on **July 7** to resurface State Road (S.R.) 390 (East 14th Street) from east of S.R. 77 (Ohio Avenue) to U.S. 231 in Bay County.

QUICK FACTS:

Start Date: July 2021

Anticipated Completion: Spring 2023

Construction Cost: \$7 million

Length: 4 miles

Financial Project Identification Number: 440149-1-52-01

PLANNED IMPROVEMENTS

Improvements along the four-mile project include:

- Adding new left turn lanes at Britton Road and Harvard Road
- Adding new turn lanes at Titus Road
- Extending westbound right turn lanes at County Road (C.R.) 389 (East Avenue) and Mill Bayou Boulevard
- Adding a new pedestrian signal at C.R. 389 (East Avenue)
- Adding pedestrian features at Mill Bayou Boulevard/Cato Road to meet current Americans with Disabilities Act standards
- Improving side street culverts and drainage pipe systems throughout project limits
- Improving existing sidewalks with minor repairs

TRAFFIC IMPACTS

No lane closures will occur from 6 a.m. to 8:30 p.m. Monday through Friday. Any daytime work on S.R. 390 is not anticipated to affect traffic or require any lane closures. Temporary nighttime lane closures are expected with some side streets in the area being impacted by these lane closures. This S.R. 390 resurfacing project will bring the road up to current state road standards. Work is scheduled to be completed spring 2023.

Construction activities are weather dependent and may be delayed or rescheduled in the event of inclement weather. Motorists are reminded to use caution and to watch for heavy equipment and construction workers entering and exiting the roadway.
