

County Road (C.R.) 65A (Juniper Creek Road)

over Juniper Creek (Bridge Number 504050) Replacement Project Gadsden County

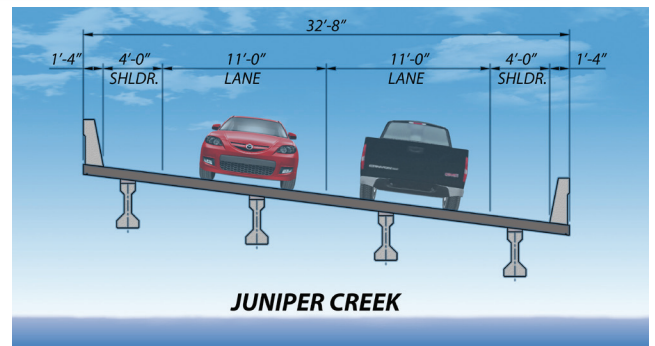

PROJECT INFORMATION

The Florida Department of Transportation plans to replace the existing bridge on County Road (C.R.) 65A (Juniper Creek Road) over Juniper Creek. Improvements include replacing the existing bridge on C.R. 65A (Juniper Creek Road) over Juniper Creek, new guardrail, new approach slabs, minor drainage improvements, sodding, and placement of new pavement markings. C.R. 65A will be temporarily closed during construction for approximately 180 days and there will be a detour available using C.R. 274 (Providence Road) to State Road 65 to C.R. 65A. Additional right-of-way may be required for construction of the proposed bridge. Bids for construction are scheduled to be received summer 2019.

Financial Project Identification Number: 435802-1-32-01

TYPICAL SECTION

The two-lane typical section bridge has the following features:

- Two eleven foot wide travel lanes in each direction
- Four foot wide shoulders in each direction

Existing bridge
