## How To Participate

The Florida Department of Transportation (FDOT) invites you to attend a hybrid public meeting for the State Road (S.R.) 188 (Racetrack Road) intersection improvement projects. This hybrid meeting is being held both virtually and in-person to provide interested persons an opportunity to express their views concerning the proposed improvements. Citizens are strongly encouraged to attend the virtual format and may register online at [www.nwflroads.com/virtualmeetings](http://www.nwflroads.com/virtualmeetings). Those who are unable to participate virtually may attend the meeting in-person. **Pre-registration is required for the virtual format and encouraged for in-person attendees.** See the information sheet in this handout for details. Interested persons can visit the project website at [www.nwflroads.com/virtualmeetings](http://www.nwflroads.com/virtualmeetings) and register for one viewing option (virtual or in-person). The same materials will be presented for each format. If you have any questions or issues registering, please contact the FDOT Project Manager at the contact information below.

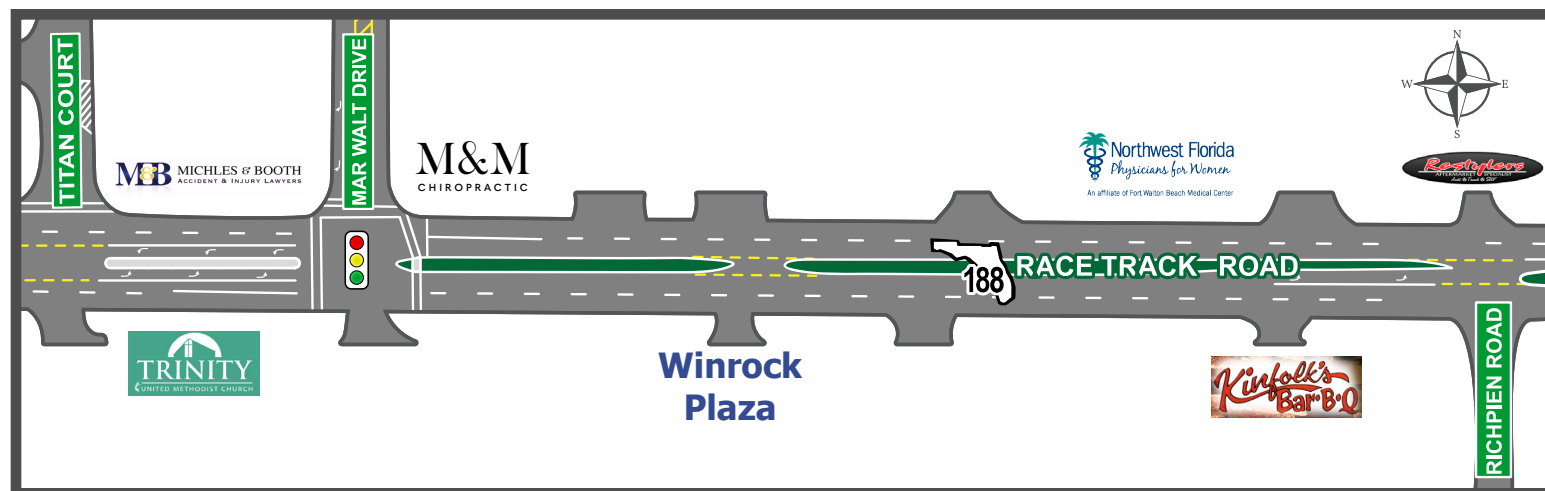

Maps, drawings, and other project information is available for review online beginning 12 p.m. (CDT) Tuesday, October 19, 2021, at [www.nwflroads.com/virtualmeetings](http://www.nwflroads.com/virtualmeetings). The materials may also be viewed by contacting the FDOT Project Manager.

## Project Information

The intent of these projects is to improve the Mar Walt Drive and Denton Boulevard intersections. The Mar Walt Drive intersection will add a right-turn lane in the westbound direction, eliminate the median opening east of the intersection, and add a directional median opening for westbound traffic to Winrock Plaza. The Denton Boulevard intersection will add right-turn lanes in all four directions as well as adjust the left-turn lanes to provide better sight distance for motorists turning left from Racetrack Road onto Denton Boulevard. In addition, work on both projects includes signal replacements, minor drainage, and Americans with Disabilities Act improvements. Bids for construction on both projects are scheduled to occur in winter 2022.
