### Project Description

The principle intent of this project is to resurface the existing travel lanes. On-street parking between Clinton Street and Kelson Avenue will be removed. A railroad crossing near McCoy's Food Mart will be replaced. Curb ramps will be reconstructed to meet current Americans with Disabilities Act standards and other safety improvements will be added. The total length of the project is 1.8 miles.

Please provide comments on the comment form and return to the comment receptacle or mail to the department before April 2, 2012, to be included in the official meeting document.

### Project Schedule

Design plans are expected to be completed August 2012 and construction is funded in 2013.

### Civil Rights Statement

The proposed plan has been developed in accordance with the Civil Rights Act of 1964 and the Civil Rights Act of 1968. Under Title VI and Title VIII of the United States Civil Rights Acts, any person(s) or beneficiary who believes they have been subjected to discrimination because of race, color, national origin, age, sex, religion, disability or family status may file a written complaint with the Florida Department of Transportation's Equal Opportunity Office in Tallahassee or contact the District's Title VI/Title VIII Coordinator.

# FLORIDA DEPARTMENT OF TRANSPORTATION PUBLIC INFORMATION MEETING

## State Road (S.R.) 73 from County Road 167 (South Street) to the Chipola River Bridge Financial Project Identification Number: 424621-2-32-01

The Florida Department of Transportation (FDOT) will host a public information meeting concerning proposed improvements to State Road (S. R.) 73 and S.R. 166 from County Road 167 (South Street) to the Chipola River Bridge in Jackson County, Florida. The meeting will be held Thursday, March 22, 2012, from 5:30 p.m. to 6:30 p.m., at the Marianna City Hall Commission Chambers, 2898 Green Street, Marianna. This meeting will provide participants an opportunity to review proposed improvements and provide comment. Maps, drawings, and other information will be on display. There will be no formal presentation. Representatives from FDOT will be available to answer questions and explain the project.

FDOT plans to resurface the existing travel lanes and remove on-street parking between Clinton Street and Kelson Avenue. A railroad crossing near McCoy's Food Mart will be replaced. Curb ramps will be reconstructed to meet current Americans with Disabilities Act standards and other safety improvements will be added. The total length of the project is 1.8 miles. Construction is funded in 2013.

Public participation is solicited without regard to race, color, natural origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation service (free of charge) should contact Greg Rogers, FDOT Project Manager, toll-free at (888) 638-0250,

extension 755 at least seven days prior to the meeting.

If you have questions regarding this project or meeting, please contact Greg Rogers at the number listed above or via email at [greg.rogers@dot.myflorida.com](mailto:greg.rogers@dot.myflorida.com). You may also contact Ian Satter, District Three Public Information Director, at (888) 638-0250, extension 205 or via email at [ian.satter@dot.myflorida.com](mailto:ian.satter@dot.myflorida.com).
