

East Nine Mile Road Safety Improvements

From Chemstrand Road to Baldrige Drive, Escambia County

Project Information:

The intent of this safety improvement project is to upgrade traffic signals and install lighting at all signalized intersections, remove acceleration lanes, and construct offset left turn lanes; where feasible. In addition, right turn lanes will be widened to accommodate bicycle lanes.

Safety Improvements Include:

- ▶ Upgrade signalized intersections at Hummingbird Boulevard, Guidy Lane, Jernigan Road, Scenic Hills Drive, and Baldrige Drive
- ▶ Offset left turn lanes to improve sight distance
- ▶ Add keyhole bicycle lanes

Anticipated Start Date: Spring 2022

Anticipated End Date: Fall 2023

Length: 2.3 miles

Financial Project ID: 444039-1-52-01

U.S. 90A at Guidy Lane

U.S. 90A at Jernigan Road

East Nine Mile Road Safety Improvements

Traffic Impacts:

- ▶ Lane closures will only be allowed between the hours of 8 p.m. and 6 a.m.
- ▶ Speed limits will remain the same during construction.
- ▶ Watch for construction workers and equipment entering and exiting the work zone.

Typical Section:

Proposed features on U.S. 90A (East Nine Mile Road) from County Road 749 (Chemstrand Road) to Baldrige Drive:

- ▶ Offset left turn lanes
- ▶ Four-foot traffic separators at left turn lanes
- ▶ Five-foot bicycle lanes through right turn lanes
- ▶ Existing roadside ditches to remain

If you have questions or concerns you may fill out the enclosed pre-addressed comment form or contact the FDOT Project Manager, James Duvall, E.I. Those wishing to submit written comments or questions may do so via email to jduvall@hntb.com, or by U.S. Mail to James Duvall, E.I., FDOT Project Manager, 1282 Office Park Drive, Chipley, Florida 32428. Comments mailed must be postmarked no later than Monday, April 26, 2021.

RE: FDOT Plans Review for U.S. 90A (East Nine Mile Road) from County Road (C.R.) 749 (Chemstrand Road) to Baldridge Drive Safety Improvements
Escambia County
Financial Project Identification Number: 444039-1-52-01

The Florida Department of Transportation (FDOT) is in the process of designing the above-referenced safety improvements project and would like to provide you an opportunity to ask questions or provide comments.

The intent of this safety improvement project is to upgrade traffic signals and install lighting at all signalized intersections, remove acceleration lanes, and construct offset left turn lanes, where feasible. In addition, right turn lanes will be widened to accommodate bicycle lanes. Bids for construction are scheduled to occur spring 2022.

There is no public meeting planned for this project; however, FDOT would like to provide those interested in the project an opportunity to provide input. Attached is a handout and pre-addressed comment form that is being sent to public officials, organizations, and individuals interested in the project. Please submit comments to James Duvall, E.I., FDOT Project Manager, no later than Monday, April 26, 2021.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.

Should you have questions regarding the proposed project, please contact James Duvall, E.I., FDOT Project Manager, at (850) 415-9021 or via email at jduvall@hntb.com.
