future for Florida

 Building  
a cleaner  
energy  
future for  
Florida

A woman with long brown hair, wearing a dark vest over a dark shirt and blue gloves, stands behind the buffet table, smiling at the camera.

A long buffet table covered with a black cloth, displaying various appetizers, plates, and serving trays. The table is set with stacks of white plates, several trays of food including breaded items and dips, and numerous small appetizer cups. A basket of silverware and black napkins is also visible on the table.
